# CIVPOL MISSION GEAR

The CIVPOL program involves the law enforcement community from throughout the world. These dedicated servants work in post conflict countries to ensure democratic policing to millions. The sacrifices of these officers, and their families, are many. Sadly, some CIVPOL participants have sacrificed their lives or have been severely injured.

Show pride in your service with CIVPOL. Currently CIVPOL Mission Gear selections include shirts and business cards - hats, mugs and patches will be added soon. If you have a request for other items please contact us at sales@listromcorp.com.

Listrom & Associates will donate \$1 to the CivPol Alumni Association for each CIVPOL Mission Gear item purchased.

## CIVPOL POLO SHIRTS
